Confirmation

February 15th, 2015

RoHS II

We confirm that our products are fully compliant to the requirements of the RoHS Directive (DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment). Products falling into the scope of the directive are marked with the CE-Symbol. The EC declaration of conformity has been drawn up.

REACH

On June 1st, 2007 the Regulation (EC) No. 1907/2006 of the European Parliament and of the Council concerning the registration, evaluation, authorisation and restriction of chemical substances (REACH) took effect.

INTERLINE is also fully committed to achieving a high level of environmental and human health protection.

INTERLINE only supplies non-chemical products (articles). These articles and their packaging materials do not contain any chemical substances that are intended to be released under normal or reasonably foreseeable conditions of use. Therefore, registration according to Article 7(1) does not apply.

Furthermore, there are currently no chemical substances in our products, as specified in the so-called "candidate list" (Art. 59), with a content of more than 0.1% (w/w). If any more information according to Art. 33 is required in the future, information will be given as soon as possible.

Best Regards
